Notice regarding construction of New Plant in Chennai, India

Nihon Parkerizing Co., Ltd. hereby announces that at the meeting of its Board of Directors held on June 27, 2025, it was resolved that Nihon Parkerizing (India) Pvt. Ltd., a consolidated subsidiary, will establish a new plant near Chennai, southern India.

Currently, Nihon Parkerizing (India) Pvt. Ltd. supplies products throughout India from its plant in Neemrana, Rajasthan, northern India. The establishment of the new plant near Chennai, southern India is intended to strengthen the supply system for surface treatment chemicals in India.

The Nihon Parkerizing Group will continue to aim for sustainable growth and enhancement of corporate value through global business development.

Location: Near Chennai, Tamil Nadu, India (Mahindra World City)
Site area: 76,563 m²
Total floor area: 11,490 m²
Construction start date: September 2025 (planned)
Completion date: December 2026 (planned)

End
